

Juniors start the season with some good results

THE Junior Bolton Tennis League summer season is here again and we're already halfway through! *writes Beth Holmes.*

Markland Hill A have taken the lead in Division One with three 6-0 wins and a tie to Hawkshaw A, who are hot on their heels with only 1 point between them. Let's see if they can keep it up into the second half of the season. Freddie Lister and Holly Jones have been in the winning team every week!

Markland Hill B are dominating Division Two, having only dropped one set this season! Special mention to Lucy Schofield who is yet to miss a match for the team. The rest of the division is very tight; can anyone knock Markland Hill B off the top spot?

In Division Three, Hawkshaw B are undefeated. They have won all matches so far 6-0! Holcombe Brook C fall into second with 2 wins and a draw. Can they overtake in the second half?

Let's see who comes out on top in the second half of the season!
